

Students' Survey Results

1st Qualitative evaluation

The students directly involved in the mobility participated in our survey to tell us about their experience:

Wich country have you been?

- 2) The partnership has opened students' horizons about taking in account the possibility to work abroad in the future:

I will possibly study or work abroad in the future

46 risposte

82,6% agree on this.

As partnership our goal is to reach a greater percentage of pupils who feel more confident with the language and who consider the possibility of working abroad in the future.
